

## LETTER FROM THE LEADERSHIP AT GBC

Greetings and welcome to Generation Bible College,

It is our firm belief that discipleship is for everybody, not just a select group of Christians. It is also our belief that a solid understanding of God's Word, as revealed to us in the Bible, is essential to effective discipleship and Christian living.

We as the leadership of GBC have been asking God how He might greater use us to serve His Church. Through much prayer and discussion we have felt led to move to an entirely online platform so as to reach more people with God's word. During this process several new initiatives have developed in our desire to serve the Church, which has led to our decision to make our content available for free for all people.

This means several things:

- 1) We are no longer taking students in the sense that they register for classes and get grades.
- 2) Email correspondence will no longer exist as the normal functions of a school setting have ceased.
- 3) Classes no longer work towards a degree.

With these developments, certain aspects have not changed. The opening statement about our view of discipleship remains, and we prayerfully feel that the moves we are making to provide free biblical training online will serve that purpose in a greater way.

We have always felt that GBC existed for the Church, and we feel these changes will help us serve God's Church more effectively.

Abundant blessings in Christ,  
Generation Bible College Leadership
